- C001-C206      1500 Hall
- D001-D201      2500 Hall

Each student is issued a locker at the Milburn Campus. The locker does not have a lock on the door, so you will need to purchase one for your child's locker. It is preferable to have a black faced master lock combination lock for the assigned locker. These can be purchased at most local stores. Do not purchase a keyed lock. When your student brings the lock to school, they will be required to inform their advisory teacher of the locker number and combination. Thank you for your cooperation in this matter.
