**OTHS EXPECTATIONS
STUDENT, PARENT, STAFF SCHOOL COMPACT**

WHAT WE EXPECT FROM STUDENTS, PARENTS, AND OURSELVES:

- **We expect students . . .**
 - To achieve to the best of their abilities. High school success is all about effort. With effort, all students can successfully complete a high school program at OTHS that will prepare them for their post high school endeavors.
 - To consider school their first priority. Social life, extra-curricular activities, and jobs are important outlets for students. High school is a once in a life-time experience. Participation in extra-curricular activities is encouraged; however, academic achievement should be the top priority of students.
 - To attend every class, to walk in prepared, and to complete every assignment. Students must take responsibility for their education. Fundamental to high school success is regular attendance and class preparation.
 - To be aware of and to conform to disciplinary policies and school procedures. The School Handbook is based in law, common sense, and the community's standard of reasonable and respectful behavior. Students should be familiar with the handbook and know what is expected of them.

- **We expect parents/guardians . . .**
 - To support, encourage, and supervise their student's school effort. Parents need to be involved in their children's education. Research shows that student academic achievement is directly correlated to parental involvement.
 - To ask questions about and follow up on their student's progress and problems. Parents can readily check their children's grades via Edline (Family Access). When contacting the school to address questions or concerns, please contact the teacher, coach or sponsor before contacting the administration. If your concerns are not adequately addressed at the first level, the administration welcomes the opportunity to work collaboratively with parents in the best interest of the student.
 - To be informed about and aware of the discipline code, school policies, school activities, and school issues. The District provides many resources to assist parents with information about OTHS. Much of this information can be found on the District's website www.oths.us. The faculty and administration seek parental support in creating independent and responsible students.
 - To be our partners. A strong school-parent partnership is an essential element in promoting student success.

- **We expect our administration and instructional staff . . .**
 - To treat our students with commitment, respect, devotion, and integrity.
 - To research and present the best instructional material and methods possible, with emphasis on connecting learning to real life, making students active learners, and preparing them for productive futures.
 - To offer a variety of quality extra-curricular programs, engaging student talents and interests.
 - To welcome and accept input, ideas, and suggestions in an effort to continue to improve OTHS.
 - To work collaboratively with students and families to create a partnership to maximize the potential for every student.

GENERAL INFORMATION

ALLERGY AWARENESS: O'Fallon Township High School would like to foster "allergy awareness" within our student body. There are many types of allergens, including but not limited to, food allergies such as nuts, eggs, milk; environmental allergies such as dog/cat dander, ragweed, pollen, and bee stings; and product allergens such as latex, perfumes, and hairspray. Please be respectful of your fellow students when making choices about bringing items from home that may cause an allergic reaction. Students having severe allergies should contact the nurse.

BOARD OF EDUCATION POLICIES: All Board of Education Policies are available on the OTHS District #203 website: www.oths.us

BOOK RENTAL PLAN: (Board of Education Policy 4:140) The school rents textbooks to students. If books are lost or damaged beyond ordinary wear, students will be charged the price of the book. Books turned in after the instructor has collected them will be subject to a \$25 restocking fee. Fee waiver forms are available in the District Office. Official transcripts of grades will not be sent to employers or to colleges unless all records are cleared.

BUS TRANSPORTATION: (Board of Education Policy 4:110) Students who live more than a mile and one-half from school may ride the school bus to and from school. Illinois Central Bus Company handles arrangements for student transportation for OTHS District #203. Questions regarding bus routes, bus eligibility, pick-up points, times for various bus locations, etc., may be answered by accessing the OTHS website or by contacting the O'Fallon office of the bus company with whom the district contracts. Students must ride the bus to which they are assigned. Student ID cards will designate bus service and the ID must be presented to the bus driver upon request. Students who participate in extra-curricular activities before or after school, or students attending early bird classes, must provide their own transportation. Extra-curricular activity buses will be provided at the conclusion of each school day to transport 9th grade students from the Milburn Campus to the Smiley Campus. Students are expected to maintain appropriate conduct on the bus pursuant to Board of Education Policy 7:220. Unauthorized riding of any bus may result in disciplinary penalties. (See Bus Conduct, page 21.) No non-OTHS student is allowed to be on any bus at any time.

CAFETERIA ACCOUNT BALANCE POLICY: Students with a zero or negative balance on their lunch account will have a restriction placed on their account. The restriction will consist of the following:

1. The student will be provided with a daily lunch meal (specialty lines, a la carte items, and/or additional items are not permitted.)
2. Students will be charged their regular paid/reduced lunch rate for the meals.

The restriction will be removed once the student establishes a positive balance. Parents/guardians may view balances and lunch items purchased online through their Family Access account.

CAFETERIA FREE AND REDUCED LUNCH OPTIONS: OTHS participates in the National School Lunch and Breakfast Program. Free or reduced priced meals are available to those who qualify. Please contact the Business Office to apply. Reimbursable school meals is part of the district's School Wellness Policy (Board Policy 6:50).

CONTACTING TEACHERS: Parents/guardians should contact teachers directly with any questions, compliments or concerns they have about a class.

- The most effective way to reach teachers is through e-mail. Parents/guardians may e-mail teachers through Family Access or the Teacher Directory page located on the OTHS website.
- Teachers and administrators also have voice mail, but receiving voice mail is less immediate and less direct. Parents/guardians may call a teacher at the high school number (Smiley Campus—632-3507

or Milburn Campus—622-9647) and be connected to the teacher's voice mail if the teacher is unavailable. Teachers cannot interrupt their classes to conduct personal conferences.

- Meetings on campus will occur by appointment only.

CPR/AED: Several district personnel have received training in AED/CPR. The Illinois High School Association website has an informative video on hands-only CPR and use of AED's. All are encouraged to view it at <http://www.ihsa.org/Resources/SportsMedicine/CPRTraining.aspx>

DISABILITIES / SPECIAL SERVICES - IDENTIFICATION OF STUDENTS: (Board of Education Policy 6:120) Students may be referred to the Director of Special Services for a full case study evaluation to determine eligibility for special services. Written referrals to the Director of Special Services may be made by faculty members (SOS Team) or parents/guardians. An initial screening of student data is completed by the director and appropriate staff members and, if a referral is indicated, a Child Review Team (CRT) meeting will be held to determine the components of the full case study evaluation. A full case study evaluation may include psychological assessment, academic assessment, social-developmental history, as well as other pertinent information required to make an appropriate determination for eligibility for special services. Upon completion of the full case study evaluation, a CRT meeting will be convened to discuss the evaluation results and to determine eligibility. If a determination of eligibility is made and services are indicated, then an Individualized Education Plan (IEP) will be written to establish placement and services required.

- **SPECIAL EDUCATION SERVICES** - O'Fallon Township High School District #203 is committed to the free, appropriate, public education in the least restrictive environment for all students with disabilities through age 21 who live within district boundaries and may be eligible for special education and/or related services. Therefore, specific policies and procedures have been established concerning the identification, evaluation, and educational placement of students with disabilities. Those who have questions about these policies and procedures are encouraged to speak to a school building administrator or to contact the District's Director of Special Education at 632-3507 for further information.

- **SECTION 504 POLICY STATEMENT (Board of Education Policy 6:120):** Students may be eligible for services under the provisions of Section 504 of the Rehabilitation Act of 1973 even though these services are not received under the Individuals with Disabilities Education Act (IDEA).

The school district has specific responsibilities under the Rehabilitation Act, which include the responsibility to identify, evaluate, and, if the child is determined to be eligible under Section 504, to afford access to appropriate educational services. A student who may need special services or programs within the intent of Section 504 is one who meets the following criteria:

- Has a mental or physical impairment that substantially limits one or more major life activities (major life activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, working, communicating, thinking, the operation of a major bodily function, eating, bending, sleeping, lifting, reading, standing, and concentrating);
- Has a record of such impairment; or
- Is regarded as having an impairment.

Upon determination of eligibility for 504 services, a 504 Plan will be written to document the appropriate accommodations based in each individual student's needs.

Due process rights of students with disabilities and their parents/guardians under Section 504 will be enforced. The Director of Special Services is the coordinator of Section 504 Activities for the district.

- **MULTI-TIERED SYSTEM OF SUPPORTS** - MTSS is a process designed to help schools

focus on high quality interventions that are matched to student needs and monitored on a frequent basis. The information gained from an MTSS process is used by school personnel and parents/guardians to adapt instruction and to make decisions regarding the student's educational program. The MTSS process is initiated through the Staff Offering Support (SOS) Team at each building.

- **STAFF OFFERING SUPPORT** - The aim of the Staff Offering Support Team is to identify students who are struggling and connect them with the services available to them in school or in the community. At times, students bring personal issues with them to school. The weight of some of these issues can make it difficult to concentrate on academic and social responsibilities.
 - › The Staff Offering Support Program is: A school-based prevention, early intervention, and support program for students who are having difficulty being successful in school due to academics, behavior, attendance, or health issues. A core team consisting of:
 - Administrators
 - School Psychologist
 - Teachers
 - Social workers
 - Nurse
 - Guidance Counselors
 - Other identified school personnel
 - › A core team who
 - Works with referred/identified students to implement school-based strategies
 - Connects students and families to community resources
 - Makes referrals for special education or 504 Plans when progress has not been shown following interventions
 - › For additional information, please contact Mrs. Twana Dollison, Milburn Vice-Principal or Mrs. Martha Blackburn, Director of Special Services.
- **SPECIAL EDUCATION – DISCIPLINE**

A special education student may be suspended under this policy regardless of whether the student's gross disobedience or misconduct is related to his or her handicapping condition as defined by Article 14 of The School Code of Illinois. If exclusion of a special education student is warranted because of the student's physical danger to himself, other students, staff, or school property, the student may be temporarily excluded from school.

A special education student may not be expelled from school if the student's particular act of gross disobedience or misconduct is, or results from, a behavior or a condition defined as an exceptional characteristic in Article 14 of The School Code of Illinois. Any special education student whose gross misconduct or disobedience is unrelated to, or does not result from, his handicapping condition, as defined by Article 14 of The School Code of Illinois, may be expelled pursuant to this policy.

EMAIL FOR STUDENTS: All OTHS students will receive an OTHS email address for their school use. Students are encouraged to check this email account daily as official OTHS communications will be sent to the student's OTHS email account. Students are responsible for the information and communications sent to, and received from, their OTHS email account.

EMERGENCY DRILLS: OTHS has a crisis plan that is posted in each classroom. Periodically, OTHS conducts drills to be sure that the students and faculty are prepared for an emergency. They are as follows:

Disaster (Tornado and others): An alert will be given over the intercom system. Students are to move rapidly, but orderly, to their assigned places. Students are not to leave the building during a disaster drill.

Fire: A buzzer will sound throughout the building. Students are to take their classroom possessions (purses and backpacks) and move rapidly outside in an orderly way by the routes described by their teachers.

Intruder: An alert will be given over the intercom system. Students are to follow the directions from their teachers.

EMERGENCY NOTIFICATION: School closing due to inclement weather and other emergency notifications will be posted on the OTHS web site at www.oths.us. School closing will also be announced on television stations KMOV Channel 4, KSDK Channel 5, and FOX Channel 2. In addition, parents/guardians will typically receive emergency notifications, school closing notification, and other important information via the district's computerized notification calling system. It is important that parents/guardians keep telephone contact information current with the District.

ENGLISH LANGUAGE LEARNERS: District 203 students may participate in the St. Clair County Regional Office of Education English Language Learners Program (ELL). If a second language is indicated for a particular student, they may be given the WIDA screener to see if they qualify for the program. The ELL is housed at the St. Clair County Regional Office of Education (ROE) from 8:30 a.m. – 11:15 a.m. Participating students will be provided transportation to the ROE in the morning, and returned to their home campus for the afternoon. Students will receive credit towards graduation for passed courses in the ELL Program. Please contact the guidance department for further information.

FIELD TRIPS / COMPETITIONS: Students must obtain parent/guardian permission and be academically eligible and in good discipline standing in order to travel on any school trips scheduled during the school day. On these trips, school rules apply at all times. Any student involved in a disciplinary issue will be subject to disciplinary action and may lose trip privileges. Field Trip/Competition privileges will be revoked pursuant to withholding of privileges on page 16.

Students will be held responsible for any missed class work and must make arrangements with their teachers in advance of the scheduled absence. The teachers will determine if missed work is to be completed prior to the absence, on the day of the absence, or upon the student's return to class.

Students are strongly encouraged to participate in class field trips, but are not required to do so. If a student elects to stay in school, the student may be required to complete an alternate assignment in lieu of the field trip. Any student not attending the field trip should report to study hall during that class period. All medication required for field trips must be cleared through the Nurse's Office. The administration of medication must adhere to the school medication policy (page 27).

GRIEVANCE PROCEDURES: Student grievances should be communicated to school authorities in the following manner:

1. The student or parents/guardians should discuss the matter with the staff member with whom they have the grievance.
2. If this does not resolve the issue, the matter should be directed to the appropriate Assistant Principal, Vice Principal, Athletic Director, or Director of Special Services, then to the Principal, and then to the Superintendent. If the grievance is against the Principal, the Superintendent should be contacted after talking with the Principal.
3. If the matter is still not resolved, the student or parent/guardian may file a formal grievance with the Superintendent (Board of Education Policy 2:260) and may submit a written request to the Superintendent asking permission to speak of the matter to the Board of Education.
4. The preceding procedural actions should be taken before going through the judicial system.

HAZARDOUS MATERIAL MANAGEMENT PLAN: Asbestos-containing building materials (ACBM) are present in our school. Most of the material is confined to the boiler room and heating pipes. In accordance with the Federal Asbestos Hazard Emergency Response Act, an accredited inspector and management planner have completed a review of the locations, quantities, and friability of the asbestos-containing materials and have prepared an assessment and response action plan to reduce exposure to asbestos fibers. A major removal project was completed July 8, 1993 and certified by the Capital Development Board. A copy of the

asbestos management plan for our school, which includes the inspection report, is located in the District Office. The plan is available to the public for inspection without cost or restriction within 5 working days after receiving a written request for inspection. Hours of availability and a copy of the form, "Request for Inspection of Management Plan," will be provided upon request. Should a request be made for a copy of the report, the school district is allowed to charge a reasonable fee to make copies of the plan.

INSTRUCTIONAL MEDIA CENTER (Library): See page 50.

LOCKER INFORMATION: A locker number is found on each student's daily schedule. At the Milburn Campus, students must furnish their own locks. At the Smiley Campus, students will be given a key or combination. If students lose a key, they should order another from the Main Office (additional cost of \$15.00). While the key is being made, students must ask a secretary in the Main Office to open the locker. If a student does not return the locker key at the end of the year, the charge is \$15.00. Students who repeatedly lose or forget keys may be assigned a combination locker. Individual lockers are provided for security. Lockers are school property and subject to searches. For security reasons, students are not to share lockers. Lockers are to be cleaned out before leaving school for summer. Remove all contents and graffiti. The school will not be responsible for lost or stolen items. A fine will be assessed to any student whose locker must be cleaned by custodial staff. (See Locker Locations, page 7. See Locker Policy, page 26).

LOST AND FOUND: Any student who finds an article should turn it in to the Main Office where it may be claimed with proper identification. All unclaimed items will be donated to a charitable organization or disposed of as otherwise appropriate.

PARENTAL DISABILITY ACCOMMODATIONS AT SCHOOL FUNCTIONS: In accordance with the Americans with Disabilities Act (ADA), parents/guardians needing accommodations or auxiliary aids in order to participate in parent conferences, school programs and Board of Education meetings should contact the school administration in advance to determine whether the accommodation can be procured.

PERSONAL PROPERTY:

- School is not the place for valuable personal items. These items become easy targets for theft. The district is not responsible for loss, damage, or theft of personal items.
- Students are solely responsible for safekeeping of personal items. Students must carefully secure their belongings. Students should not leave backpacks, purses or any personal property items unattended. Students should not leave lockers unlocked and should not share lockers with others.
- For specific information regarding the use of personal electronic devices and cell phones, see page 48.

PESTICIDES MANAGEMENT: OTHS has an Integrated Pest Management practice which follows Board of Education Policy 4:160 and incorporates building maintenance, sanitation, physical barriers and, as a last resort, the safest and most effective means of pesticide. Board of Education Policy 4:160 requires that public schools notify parents/guardians at least 48 hours prior to the application of pesticides on school property. Excluded from this notification requirement are disinfectants, sanitizers, and insecticide and rodenticide baits. Although we have no intention of spraying or fogging with pesticides during the school day when students are in attendance, parents/guardians may register to be contacted prior to any pesticide application. To register, contact the school office. In the event of an extreme emergency where pesticides must be used immediately, parents/guardians will be notified via the District's calling system.

POSTERS: A poster/flyer must be approved by the club sponsor (if applicable) before it may be displayed. Non-school group posters are not allowed.

SCHOOL RESOURCE OFFICER/POLICE OFFICER QUESTIONING/INTERVIEWING (Board of Education Policy 7:140): Where acting on their own initiative and authority to further a proper educational environment at the school or at the request of school personnel (as opposed to acting upon the request of outside law enforcement authorities), police officers who are investigating a school related incident or any incident which may have potential consequences for the safety of the students or employees at the school

may legally interview students without obtaining permission from parents/guardians.

- Police officers have the legal authority to question/interview students who may be witness to an incident, the police do not need to notify parents/guardians; however, every effort will be made to notify the parent/guardian should a student become a suspect, which could result in an arrest.
- Police have the legal authority to remove a student from school.

SEARCHES: Per Board of Education Policy 7:140, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. Students have no reasonable expectation of privacy in these places. Police may be involved in these searches. Student personal effects may include, but are not limited to, clothing, purses, backpacks, and vehicles on school property. Such searches may include all student personal property on field trips and on other off-campus school activities.

SECURITY CAMERAS: Security cameras, both inside and outside our school buildings, allow the District to monitor the campuses, buses, and parking lots. Privacy laws prohibit the viewing of security camera video by unauthorized personnel.

STUDENT ACCIDENTS: Students are responsible for reporting all accidents that occur on campus or at away events or contests to the supervising teacher or coach as soon as allowable. The teacher or coach will be responsible for filing an incident report with the school nurse. The district does not provide student health insurance. Medical claims are the responsibility of the student and guardian.

STUDENT AND FAMILY PRIVACY RIGHTS: See Board Policy 7:15

STUDENT ID CARDS: Students are required to wear a current student ID and school-appropriate, break-away lanyard to gain entrance into the building and at all times during the school day. (See ID Policies/Procedures, page 25).

STUDENT RECORDS: O'Fallon Township High School adheres to The Family Educational Rights and Privacy Act (Board of Education Policy 7:340) and the Illinois Student Records Act regarding the confidentiality of student information provided. OTHS may disclose appropriately designated directory information without written consent, unless a parent/guardian has advised the District to the contrary in accordance with District procedures. Parents/guardians should contact the Main Office if they wish to keep this information confidential, if they wish to deny access of student information to military recruiters, and/or if they do not want the student's photograph used for any district publications or media release. The primary purpose of directory information is to allow the District to include this type of information from the student's education records in certain school publications. Examples include:

- A playbill showing the student's role in a drama production
- The annual yearbook
- Student teachers videotaping their lessons for their licensure requirements
- Honor Roll or other recognition lists
- Graduation programs
- Sports activity sheets, such as wrestling, showing weight and height of team members
- Web Pages

Parents/guardians also have the right to inspect their child's records, to challenge the contents, and to limit parental consent to certain designated records. If parents/guardians wish to review their child's records, they may do so by calling the Guidance Office and setting up an appointment with a counselor. The Principal is the official custodian of the student records.

TEEN DATING VIOLENCE: See Board Policy 7:185.

TITLE IX: No student shall, based on sex, sexual orientation, or gender identity be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or

denied equal access to educational and extracurricular programs and activities. Any student may file a sex equity complaint by using Board of Education policy 2:260, Uniform Grievance Procedure. A student may appeal the Board of Education's resolution of the complaint to the Regional Superintendent (pursuant to 105 ILCS 5/3-10) and, thereafter, to the State Superintendent of Education (pursuant to 105 ILCS 5/2-3.8) In order to fully comply with the mandates, the Athletic Director has been appointed by the Board of Education to serve as the coordinator of the Title IX guidelines.

WEBSITE (www.oths.us) OTHS has an Internet website through which the district provides a multitude of information for our students, their families, and the community. The website may contain a picture or video of students, or may list students' names as participants in activities. If parents/guardians have concerns about this procedure and/or wishes that their child be excluded from these kinds of announcements, please download a photo exclusion form from the website and submit the completed form to the Main Office.

One of the features of the OTHS website is Skyward. Parents and guardians have access to their child's grades and attendance through Skyward. Each parent or guardian will receive an activation code within the first month of school to access Skyward. Once an account has been activated, the account remains active while the student is enrolled at OTHS. If the activation code is not received or is lost, a new activation code can be obtained by contacting the Main Office. A valid ID card (driver's license) is required. This will ensure that only the authorized parent/guardian is receiving the activation code.

STUDENT REGULATIONS

INTRODUCTION

Students at O'Fallon Township High School are expected to respect the rights of other students and to behave appropriately while attending school and/or extra-curricular events and activities. Students are expected to be tolerant and considerate of others' differences as every person is unique. All students have a right to a free and appropriate public education. However, attending public school is subject to compliance with the laws of Illinois and regulations of the O'Fallon Township High School Board of Education. The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

STUDENT TO TEACHER COMMUNICATION

Teachers are responsible for the management of their classes. Teachers have the authority to implement and enforce any reasonable rules necessary to produce acceptable conduct in their classes.

Students are encouraged to directly communicate with teachers before or after class if there are any issues of concern. If the student is not able to resolve his or her concern with the teacher, the student should speak with their Assistant Principal or Vice Principal. Typically, respectful communication will result in resolution of any issues or concerns.

The administration and faculty encourage students to discuss any issues or concerns with them. It is best to work through the issues early rather than waiting until the issues grow into a larger problem.

GENERAL POLICIES AND PROCEDURES

In our society, we all have rules to follow and responsibilities to fulfill. At OTHS when students fail to follow rules or make poor decisions, discipline may be imposed. OTHS uses a discipline system which includes warnings, study hall assignments, penalty hours, ACR-Alternative Classroom (in-school suspension), withholding of privileges, suspension, and expulsion.

Policies, administrative procedures, and school rules are listed on the next several pages of this handbook. It is impossible for the administration to anticipate every circumstance. Therefore, the administration will act on situations not covered in the handbook in order to serve the best interest of the school and the students.

DISCIPLINE (Board of Education Policy 7:190)

WARNING: A warning is issued to notify a student and possibly his/her parents/guardians that he/she is in violation of a school policy and repeated action may result in additional consequences.

PENALTY HOURS: Penalty hours as used in this section refers to situations where the students may be assigned to Lunch/Advisory Detention or in rare cases assigned to a study hall. Assigning Lunch/Advisory Detention is the primary form of discipline for students who violate school policies.

OTHS ALTERNATIVE CLASSROOM (ACR): The ACR is an in-school placement program designed to improve the behavior of students. It provides another layer of discipline that may be used prior to an out-of-school suspension. (See page 47).

SUSPENSION: (Board of Education Policy 7:200) This prohibits a student from attending school, being on campus or attending school activities, either on or off campus, during the period of suspension. A student suspended from school or an individual class will receive equivalent credit for work completed for their classes from the time of the suspension. Suspended students are responsible for requesting classwork from their teachers and completing their classwork while suspended. All requested classwork will be available to the student and will be due the day that the student returns to class and/or school. Students are required to turn in any projects due and make up any tests missed during their suspension immediately upon their return to class and/or school. A re-engagement conference may be required for the student's re-entry.

Extracurricular/activity attendance privileges will be revoked pursuant to "Withholding of Privileges" on page 16.

Immediate suspension may follow serious offenses including, but not limited to, alcohol, drugs, weapons, pulling fire alarms, gross disrespect, near-fighting or fighting. Any of these offenses could result in a Disciplinary Review Hearing before the Board of Education.

REVIEW OF SUSPENSIONS: Following a suspension for violation(s) of the Student Discipline Code, and upon any subsequent suspension, a parent/guardian may request a Principal's review of the suspension.

WITHHOLDING OF PRIVILEGES: (Board of Education Policy 7:190) This penalty may include, but is not limited to, withholding or denying of the student's attendance at activities, athletics, homecoming, prom, and/or the graduation ceremony.

- For every six school days of accumulated suspension (6, 12, 18, etc.) during the entirety of the student's years of attendance at OTHS, the student will not be able to attend OTHS events for the remainder of the semester in which the suspension days exceeding six (or multiples thereof) occurred and the subsequent semester.

- Students engaging in gross disrespect, gross disobedience, gross misconduct, skipping/missing school in groups, or excessive truancy may lose the privilege of participating in the OTHS Graduation Ceremony.

LOSS OF CLASS CREDIT: This penalty may be imposed for excessive class referrals for inappropriate or disruptive behaviors.

EXPULSION: (Board of Education Policy 7:210) An expulsion prohibits a student from attending school, being on campus, or attending school activities, either on or off campus, for up to two years, depending upon the decision of the Board of Education.

DUE PROCESS FOR STUDENTS: The following procedures will be followed pertaining to student suspension, expulsion, or loss of credit in a class or classes:

1. The student will be given oral notice of the rules, regulations or policies violated.
2. He/she will be given an explanation of the evidence and/or verification of the violation(s).
3. He/she will be given an opportunity to present any relevant explanations or accounts.
4. The student/parents/guardians will receive written confirmation of the penalty and their further rights.

Immediate suspension of a student without these procedural due process requirements is permissible only for students whose presence poses a continuing danger to people and/or property, or presents an ongoing threat of disrupting the academic process. In such cases, notice shall be provided as soon as possible.

RULES AND REGULATIONS

AFTER SCHOOL: Students may not stay in unsupervised areas of the building or campus after school or in the evening. Students who loiter on campus during non-school hours are subject to disciplinary consequences.

All students dismissed prior to the end of the regular school day must be out of the halls promptly so that classes are not disturbed. Students who are dismissed prior to the end of the regular school day, and do not leave the halls promptly, may be assigned to study hall. At the conclusion of the regular school day, students may stay for school meetings, supervised rehearsals, school events, may study in the IMC, or go to the Academic Assistance Center.

Students waiting for rides must arrange to be picked up promptly after school or after an activity. Students may not congregate in the lobby or any other common areas of the building unless supervised by a teacher, coach or activity sponsor.

ALCOHOL AND OTHER DRUGS: The District believes in a proactive approach to the problem of alcohol and other drug use among students.

- **EDUCATION** - Providing information on the physical, social, and psychological effects of drug use is primarily a function of elementary education. At the high school level, OTHS reinforces this elementary learning through a review of the material during Health classes and extra-curricular activities. In addition, students with suspected substance abuse problems are routinely referred to our social workers for supportive counseling and treatment as appropriate.
- **SUPERVISION** - OTHS prides itself on the presence of administrators, faculty, and staff in the hallways before school, during lunch and passing times. Hallways and common areas are monitored at all times throughout the day.
- **INSPECTION** - Faculty and staff are obligated to refer to the administration or Nurse's Office any student who they suspect may be carrying alcohol/other drugs or appears to be under

the influence of alcohol or other drugs. These students may be subject to locker, book bag, purse, coat, automobile, etc., searches under the supervision of an administrator and/or School Resource Officer. Personnel have received special training to detect behaviors that suggest illegal drug use or transactions. The buildings and the parking lots are routinely inspected by police dogs for drugs.

- ENFORCEMENT - The District's behavior policy (Board of Education Policy 7:190) on drug and/or alcohol related offenses is specific; the consequences are immediate. Possession, use, selling, and/or being under the influence will result in disciplinary consequences and possible arrest, with a potential recommendation to the Board of Education for a Disciplinary Review Hearing. These penalties apply to on-campus and school sponsored off-campus activities. Students who participate in extra-curricular activities are required to sign and abide by the rules of a code of conduct. The code of conduct outlines strict substance use and abuse penalties for both on campus or out of school activities. (Also, see page 44.)

This section relates to illegal drugs/look-alike drugs including alcohol, illegal performance-enhancing drugs, other legal or illegal health-endangering or drug imitating compounds, misuse of prescription or non-prescription drugs (possession, use, distribution, or sale). (Also, see page 17.)

The following rules will be in effect not only during school hours, but also on campus at any time and at any off-campus activities officially involving OTHS students:

1. Parent/guardian notification upon conclusion of an administrative review.
2. Disciplinary consequences may include a 10-day suspension with a potential Disciplinary Review Hearing before the Board of Education, which could potentially result in expulsion.
3. Police contact and charges filed when appropriate.

If a student exhibits behaviors that indicate he/she may be under the influence of alcohol or other drugs, he/she will be referred to the Nurse's Office, social worker or administrator. School personnel may conduct a physical assessment including a standard field sobriety test. If it is determined that there is strong suspicion the student is under the influence, parents/guardians will be notified. The school professionals have the ability to perform a saliva or portable breathalyzer test for the presence of alcohol. A professional drug test is necessary to prove/disprove the presence of other illegal drugs. Parents/guardians may have their student tested at a lab designated by OTHS. The names of the approved facility can be obtained from school administration. This test must be done prior to the end of the day the parent/guardian is notified that the student may be under the influence. If any test or assessment is positive for alcohol or other drugs, or the parent/guardian and student refuse the tests, there will be disciplinary consequences. If the test results are negative, the district will pay for the test and will reevaluate the student's suspension.

Any student who comes to school or to any school activity, either on or off campus, already under the influence of or having consumed or taken either alcohol or other drugs, but not having the illegal substance on his/her person, will receive disciplinary consequences, and the incident may be turned over to the police for appropriate action.

Possession of Drug Paraphernalia:

- 1st offense = Up to 3-day suspension
- 2nd offense = Up to 10-day suspension and a Disciplinary Review Hearing before the Board of Education which may potentially result in expulsion

ATTENDANCE: The process of education requires a regular continuity of instruction, classroom participation, learning experiences, and study in order for students to reach their educational potential. Students with poor attendance risk losing class credit.

All students are required to attend all classes, advisory periods, and study halls except in cases of illness or emergencies. The following procedures regarding attendance apply:

1. All students more than 5 minutes late to any class must report to the Attendance Office for a pass to class. Tardy and/or skipping penalties may apply.
2. Students who miss more than 25 minutes of a class period will be counted as absent for that class and must report to the Attendance Office.
3. One-period absences may result in disciplinary consequences
4. When a student withdraws from OTHS and re-enters without attending another high school, his/her previous record of attendance will apply.

An absence will not count toward truancy for the first 5 absences of a semester if a parent or guardian informs the school of the student's absence within 2 school days. Once 5 absences have been reached, a letter will be mailed home. Parents/guardians are encouraged to provide documentation for the first 5 absences, but documentation is not required until the 6th absence. Parents/guardians should contact the OTHS 24-hour phone line to report an absence: 632-OTHS (632-6847). Please provide the following information within the 35 seconds allotted for a recorded message:

1. The person calling and his/her relationship to the student.
2. The student's name and grade.
3. Why the student is absent and how long he/she will be out.

The phone line has a caller I.D. unit with name and number to confirm the caller. Parents/guardians requesting homework for students who will be absent 2 or more school days should call the Attendance Office by 10:00 a.m. The Attendance Office will also accept a parent/guardian note on the day the student returns.

A parent or guardian must contact the school about each absence. Absences in excess of 5 per semester are allowed for the reasons listed below, but will require official third-party documentation to support the absence. Students will have an opportunity to make up any school work, including exams, for these absences. If documentation is not provided, the absence will be counted toward truancy:

- Illness or medical excuse
- Observance of a religious holiday
- Death in immediate family
- Family emergency and/or circumstance which cause reasonable concern for the safety or health of the student
- Approved college visit or other approved educational experience

Truancy: Any absence not reported by a parent or guardian will count toward truancy. Absences in excess of 5 absences in a semester will also count toward truancy unless documented per the previous section. Skipping class or classes will count toward truancy. Absences resulting from suspension will not count toward truancy. OTHS will keep students and parents/guardians informed about semester attendance as it relates to truancy. If students accumulate semester absences toward truancy, notification will be as follows:

- 3 days absent toward truancy – Letter and phone call to parents/guardians
- 6 days absent toward truancy – Letter mailed home from district office stating time, date and location of parent/guardian appearance at a local truancy review board.
- 9 days absent toward truancy – Letter mailed from Regional Office of Education, if appropriate, stating date and location of parent/guardian appearance at a regional truancy review board. Students will not be able to attend OTHS events for the remainder of the current semester and the subsequent semester. (Students participating in athletics/extracurriculars will be subject to the Extracurricular Code of Conduct page 44. Students having 9 days of absences counting toward truancy during any semester of their junior or senior year will lose the privilege of participating in the OTHS graduation

ceremony. Students who have 9 truant days of absence will lose make-up privileges for non-medical absences for the remainder of the semester.

- After 9 days absent toward truancy and an appearance before the Regional Truancy Review Board, a petition may be filed with the St. Clair County State's Attorney and both student and parents/guardians may be held accountable in accordance with truancy laws.

Parents/guardians have the legal responsibility of ensuring that their student attends school regularly. A parent/guardian who knowingly permits their student to miss school without valid reason or who gives false information regarding the student's absence is in violation of the law and may be referred to the States Attorney Office.

Single Period Absences: Students absent for single class periods are subject to discipline as follows:

- 11 absences from the same class period = notify student and parent/guardian
- 14 absences from the same class period = 3 penalty hours. Students who have 14 non-medical absences from the same class period will lose make-up privileges for non-medical absences for the remainder of the semester.
- Each subsequent 3 non-medical absences from the same class period will result in 3 penalty hours.

AUTOMOBILES: There is no student parking at the Milburn Campus during regular school hours. Students who drive to school at the Smiley Campus must comply with the following regulations. Students and their parents or guardians are responsible for damages that may result from carelessness or from violation of these policies. Any car on a school parking lot is subject to be searched if warranted.

1. Students who drive to school must park on a school lot in authorized spaces that are not reserved for faculty, handicapped, visitors, or others as specified (Transition House, Colonnade, etc.).
2. All students who park on school parking lots must register their car in the Attendance Office, where a parking sticker will be issued upon receipt of the parking fee (see the OTHS fee schedule on the school website www.oths.us). The parking sticker is to be displayed on the rear window, upper driver's side, at all times. Students who park on a school parking lot without a parking sticker may be assessed the full parking fee.
3. All outstanding fees must be cleared in the Accounting Office before a parking sticker can be purchased.
4. Students may not sit in parked cars on school grounds for any reasons from 6:30 a.m. to 4:00 p.m. (All parking areas are "unauthorized areas" for students during the school day. See "Unauthorized Areas", page 31).
5. Students may not go to or leave in their cars during the school day unless they have a pass from the Attendance Office.

Parking offenses:

1 st offense	= 3 penalty hours
2 nd offense	= 6 penalty hours, 10 school days off parking lot
3 rd offense	= 1 day ACR plus parking privileges revoked for 60 school days. Automobile may be towed at owner's expense.

Reckless or unsafe driving may be reported to the police and a complaint may be filed. Students who drive carelessly or recklessly on campus will be reported to their parents and the school may administer disciplinary consequences for gross misconduct.

BALLOONS: Balloons are not allowed on campus during regular school hours.

BULLYING: (Board of Education Policies 7:20, 7:185, and 7:190) Per the State of Illinois, bullying, teen dating violence, intimidation, and harassment are not acceptable in any form and will not be tolerated at school or any school-related activity. The School District will take disciplinary action against any student who

participates in such conduct or who retaliates against someone for reporting incidents of bullying, teen dating violence, intimidation, or harassment. School bullies must be dealt with immediately and severely. Bullying relates to repeated behaviors such as teasing, taunting, intimidating, threatening, hitting, extortion, and any type of cyber-bullying or other electronic bullying that are initiated by one or more students against a victim. Bullying may also be indirect, such as planned social isolation of a student by other students and/or the spreading of rumors. The key unacceptable behavioral component is the attempt to intimidate or humiliate. Bullying will not be tolerated.

OTHS will immediately address bullying behavior. Students and parents/guardians need to immediately inform a teacher, guidance counselor, or social worker, and must inform a member of the administration of on-going problem situations that may be bullying.

BUS CONDUCT: (Board of Education Policy 7:220) The contracted bus company uses audio and video recordings on school buses while being used to transport students to and from school and school-sponsored activities. Misbehavior or fighting on the bus may result in loss of bus privileges immediately and/or permanently. School penalties may also be applied. Anyone receiving a bus conduct notice or creating a disturbance on a bus may be penalized as follows:

- 1st offense = up to 5 school days bus suspension
- 2nd offense = up to 10 school days bus suspension
- 3rd offense and thereafter = up to 20 school days bus suspension

CELL PHONES: See page 48.

CHEATING: See Academic Integrity Policy, page 32.

CLASS SUSPENSION: If a teacher sends a student from a class for misbehavior, the student must report immediately to the Attendance Office. A student suspended from school or an individual class will receive equivalent credit for work completed for their classes from the time of the suspension. Suspended students are responsible for requesting classwork from their teachers and completing their classwork while suspended. All requested classwork will be available to the student and will be due the day that the student returns to class and/or school. Students are required to turn in any projects due and make up any tests missed during their suspension immediately upon their return to class and/or school.

- 1st offense = 1 to 3 school days suspension from class depending on the severity of offense. A notice will be mailed home to the parent/guardian.
- 2nd offense = 1 to 3 school days suspension from class or a suspension from class for the remainder of that semester, depending upon the severity of the offense.
A parent/guardian-teacher contact must be made after a student has been suspended from class for the second time.
- 3rd offense = Potential suspension from class for the remainder of the semester and assigned to a required alternative instructional setting. A parent/guardian-administrator contact will be made at the third offense.

Depending on the severity of the misbehavior, a student may be assigned to an alternative instructional setting on the first offense.

If the alternative setting is not successful in remediating the behavior, the student may be referred for a Disciplinary Review Hearing.

COLLEGE DAYS: Students are allowed to attend college days and must present documentation from the college proving attendance in order for the absences to be excused. Each day must be arranged in advance and verified through the Attendance Office.

DANCES: School dances are for students of OTHS who are in good standing with regard to OTHS policies and procedures. Students will not be allowed to attend school dances, nor will they be approved to attend other school dances, if the student has any outstanding fees. Students are not permitted to re-enter the dance after leaving. If an OTHS student is bringing a guest, then a guest request form must be completed and turned into a Vice Principal or an Assistant Principal prior to buying a ticket for the dance. The minimum grade level for all guests is the ninth grade and the maximum age is 20 years old. For a guest to enter a dance, he/she must be accompanied by an OTHS student. All OTHS students must show their student ID to be admitted into the dance and guests will be required to show a photo ID. OTHS students are responsible for their guests. Misbehavior at a dance may result in removal from the dance and/or other disciplinary penalties that may be applicable.

DELIVERIES: Students may not order food, flowers, gifts, etc. from outside businesses and have it delivered to school during the school day.

DISPLAY OF AFFECTION: The school hallways and campus are not the places for public displays of affection. Such behavior is inappropriate for the school environment. A behavior referral may be issued and parents/guardians may be notified.

DISRUPTION OR DISORDER: OTHS strives to create a positive learning environment for all students. We will not allow disruption that negatively impacts the educational environment. In any such situation, individual students, or groups of students, who do not obey a teacher, staff member, or any other person in authority, may be penalized with a behavior referral, suspended, or expelled from school. District staff may use reasonable force as needed to maintain the safety of other students and may remove a student from the classroom for disruptive behavior.

DRESS CODE: Dress and appearance at school are a matter of personal taste, but student clothing which is inappropriate, revealing, obscene, or which disrupts the educational process will not be permitted. The school has the right to determine appropriateness based upon community standards, which include, but are not limited to the following examples:

Guidelines for Student Attire:

1. Top attire must touch bottom attire all the way around when a student is standing, sitting, or walking (no showing of mid-section)
2. Tank tops/camisoles are not permitted as tops. Strapless tops must have sleeves.
3. All undergarments must be covered by outer attire.
4. Bottom attire (skirts, shorts) must extend to the mid-thigh.
5. No holes are allowed in clothing above the mid-thigh.

Unacceptable Attire includes, but is not limited to:

1. Clothing with:
 - (a) ads, representations, or slogans about unlawful products, alcohol, weapons, tobacco, vapes, JUULs
 - (b) obscene or offensive language
 - (c) obscene, offensive or violent images
2. Dress indicating affiliation with any group that advocates dangerous or unlawful activity
3. Sagging pants (waistband of pants worn below hips) and/or pants that must be held to stay up
4. All chains/straps and all accessories with sharp or pointed protrusions
5. All hats, hoods and head coverings.
6. House slippers
7. Grills or fangs
8. Costumes, Halloween or other types, unless authorized by the administration

Consequences:

- 1st offense = Warning - Problem must be corrected. Note sent home.
2nd offense = 3 penalty hours

3rd offense = 6 penalty hours
4th offense = 1 day ACR

ELECTRONIC DEVICES: See page 48.

EXTERIOR DOORS: All exterior doors should be closed and locked at all times. Doors should never be opened to allow anyone to enter the building. Students found opening a locked door to let anyone in the building may be subject to penalties.

EXTRA-CURRICULAR REGULATIONS: All OTHS policies and rules will be in effect not only during school hours, but also on campus at any time, and at any off-campus activities officially involving OTHS students. (See page 43).

FAILURE TO REPORT TO OFFICE: Students dismissed from class due to discipline issues must report directly to the Attendance Office. Also, students called to the Attendance Office, or any other office, by a pass or over the intercom, must report immediately. Failure to report = 3 penalty hours

FALSE REPORTS: Any student fraudulently reporting another student for a violation of school policy may be subject to disciplinary action, which may include suspension.

FAN BUS: Fan buses are occasionally provided for students to away athletic contests. The opportunity to ride any fan bus is considered a privilege. Students will not be allowed to sign up for a fan bus if they have had any of the following academic/discipline issues in the current school year:

- Are on the academic ineligibility list
- Have received either a day of ACR or an out-of-school suspension
- Have received either a major or a minor skip
- Have had bus discipline referrals
- Have outstanding fee or fine balance with the District
- Other serious discipline/behavioral issues

All fan bus lists will be reviewed by OTHS administrators for final approval. Any student creating a problem on a fan bus will be subject to disciplinary action which may include exclusion from fan buses for the remainder of the school year.

FIGHTING: OTHS faculty and staff are available to help students with any conflicts they may have with other students. If a student feels there is potential for aggressive behavior, or a potential fight, he or she should report that to school personnel. Aggressive verbal or physical behavior disrupts the educational environment. Students will not be allowed to engage other students in this manner.

- **Near Fight:** Any aggressive verbal exchange, argument, or confrontation that creates a scene, calls attention to itself, and/or threatens to erupt into a fight will not be tolerated. Students will not be allowed to engage other students in this manner. A student involved in a near fight situation may receive up to a 3 day suspension from school, depending on the situation.
- **Fighting:** Any intentional physical contact (hitting, slapping, punching, shoving, etc.) with another student is considered fighting. Disciplinary consequences apply regardless of who starts the altercation. Students are considered to be fighting if they make the first physical contact, as well as if they return physical contact. This behavior endangers the students directly involved, as well as innocent bystanders. Fighting of any kind or for any reason will not be allowed. Pursuant to Board of Education Policy 5:230, district staff may use reasonable force to keep students, personnel, and bystanders safe. Penalty procedures for students involved in a fight are as follows:
 1. A student may receive a 3 to 10 day suspension from school or possibly be referred for a Disciplinary Review Hearing before the Board of Education which may potentially result in an expulsion, depending upon the situation and the student's previous discipline record.

2. Extracurricular/activity privileges will be revoked pursuant to "Withholding of Privileges" on page 16.
3. A student may be arrested.
4. Parents/guardians may be required to meet with the administration before the student is re-admitted.
5. A student may be required to meet with the school counselor or social worker upon return to campus.
6. A student may receive additional penalties if staff member instructions are not followed at the scene of the fight. If a student physically contacts school personnel, the penalties will be more severe.

- **Fight Spectator:** Students who stop to gather around a fight create a safety hazard and disturbance to the educational process at OTHS. Students who become instigators, onlookers, or attempt to record a fight may be subject to disciplinary action including suspension from school.

FORGING NOTES, PASSES AND PHONE CALLS: Any forged parent/guardian note, excuse, forged school pass, or forged phone call will be penalized.

A second incident may result in a Disciplinary Review Hearing before the Board of Education which may potentially result in an expulsion. Any display of gang symbols, graffiti, etc. may result in disciplinary action and a parent/guardian contact.

Temporary ID: A student may obtain 2 free temporary IDs each semester with no penalty (except a tardy if the student arrives late to class.) All temporary IDs must be visibly displayed on the front of the shirt. Once the semester's 2-temporary limit is reached, students must purchase a new ID each day they report to school without a valid ID.

Penalties: If a student is on campus before school or during school hours without an ID, the following penalties apply:

Defaced IDs: IDs that are defaced or decorated in any way are unacceptable. Any ID on which a student has affixed stickers, drawn, or cut is considered a defaced ID and will be confiscated. Students will be required to purchase a replacement at the cost of \$4.00.

ID costs: A replacement ID is \$4.00 and should be paid upon issuance. Sold separately, an OTHS cloth lanyard is \$3.00, and a plastic lanyard is \$1.00. Students may pre-purchase extra IDs.

INSUBORDINATION: Any student who does not promptly follow a teacher's or staff member's instruction is subject to disciplinary consequences.

For example, a student absent 3 school days should present make-up work within 4 school days of his/her return to school. Please note that reports, assignments, tests, etc. announced while the student was in attendance must be presented or completed on the first day back at school or will be due as scheduled.

Suspension: (See Suspension Policy on page 16) Suspended students may receive full credit for work completed for their classes during the time of the suspension. Suspended students are responsible for requesting classwork from their teachers and completing their classwork while suspended. All requested classwork to be made up will be available to the student and will be due the day that the student returns to class and/or school. Students are required to turn in any projects due and make up any tests missed during their suspension immediately upon their return to class and/or school.

MEDICATION: (Board of Education Policy 7:270) Students are encouraged to arrange medication schedules so that medication is taken at home. When that is not possible, medication must be presented to the Nurse. All medications will be stored in the Nurse's Office. No prescription or non-prescription medication may be kept on the student's person or in their locker at any time. Medication Permission Forms may be obtained from the Nurse's Office or are available online from the school website. The school reserves the right to verify any medication the student has in his/her possession with the student's physician. Misuse of prescription or non-prescription medication may result in disciplinary action (See Alcohol and Other Drugs, page 17).

Prescription medication—long term: Medication should be in original prescription bottle indicating name of the medication, the dosage and the prescribing physician. The parent/guardian and the physician need to provide signed and dated notes permitting the student to self-medicate in the Nurse's Office. Students may keep their inhalers for asthma or EpiPens on their person if they have made appropriate arrangements with the Nurse's Office.

Over-the-counter medication—short term given as needed: Medications should be in original manufacturer's packaging. Parents/guardians should provide a signed and dated note permitting the student to self-medicate in the Nurse's Office. Acetaminophen (generic Tylenol) is kept in the health office and will be available to students with a signed and dated note from their parents/guardians.

Administering Medicines to Students

Medication may not be taken during school hours or during school-related activities, including field trips, unless it is deemed necessary by a licensed health care provider and the student's parent/guardian. When applicable, the parent/guardian should request the medication be dispensed to the child in accordance with the district's medication policy. (See MEDICATION – above)

No school district employee shall administer to any student, or supervise the self-administration of, any prescription or non-prescription medication until a completed and signed medication form is submitted to the nurse's office. Students shall not possess or consume any prescription or non-prescription medication on school grounds or at school-related functions, including field trips, without appropriate signed consent forms.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

Self-Administration of Medication

A student may possess an epinephrine auto-injector (EpiPen®) and/or medication prescribed for asthma for immediate use at the student's discretion, provided the student's parent/guardian has completed and signed a medication form. The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

MODIFIED PHYSICAL EDUCATION: See Physical Education Medical Exemption on page 39.

NURSE: Students should stay home from school if they have a temperature of 100 degrees or greater. They should remain at home until fever free, without medication, for 24 hours. A doctor's note is required for the absence to be medically excused. Any student who is ill may report to the Nurse's Office with a pass from his/her classroom teacher. Students who need to leave campus should contact their parent or guardian from the Nurse's Office. Any student who leaves school grounds without seeing the Nurse, an administrator, or the Main Office will be counted as skipping. Inappropriate use of the Nurse's Office can result in loss of privileges. For information regarding medications, see page 27.

Physical Examination Requirements: The state of Illinois requires that all 9th graders and students new to OTHS provide a DHS Illinois School Physical examination and complete immunization record no later than October 15th of the current school year, or 30 calendar days after enrollment. Students will be excluded from school if their records are not complete. Many transferring schools do not provide this information without specific request. Forms must be filled out in entirety, including a health history to be completed and signed by a parent or guardian. A physician's assessment and signature is also required. Incomplete forms will be returned. Sports physicals and Boy Scout physicals cannot be accepted as new student physicals or for 9th grade physicals.

Sports Physicals: are required prior to the start of the season every year. All physical forms are available in the health office or from the school website.

Student Health Condition Protocols: OTHS has developed action plans to address student health conditions including, but not limited to, Asthma, Diabetes, and Food Allergies. Protocols are available on the Nurse's webpage.

1. Illinois eye examination form completed within the last year
2. Illinois eye examination waiver, if criteria met

Allergy Awareness Policy: Reasonable accommodations will be made in the school environment to minimize the risk of contact with substances that have the potential to cause an allergic reaction in students or staff.

1. Students with allergies should contact the school Nurse for proper notification information.
2. Allergy Action Plans and Asthma Action Plans are available on line at the school website.
3. Students with allergies may carry their Epi-Pens and/or inhalers on their person after the parent/guardian has completed and submitted the proper consent forms to the nurse's office.

Epi-Pen: An Epi-Pen is available in the nurse's office for emergency use in the event of a severe allergic reaction in a student that has an unknown allergy. This is not a substitute for an Epi-Pen that was prescribed for an individual student.

Diabetic Students: Students with diabetes should make contact with the nurse's office at registration.

- A Diabetic Treatment Plan signed by the parent/guardian and physician is required for diabetes management during the school day. A form may be obtained from the school website or you may use one provided by your physician's office. The diabetic treatment plan will be utilized for medical accommodations as part of a Section 504 Plan or IEP.
- Students are responsible for maintaining their own supplies.

Hearing/Vision Screening Formal Notification:

1. All students will participate in a hearing/vision screening program. This is not intended to be a substitute for a complete examination by a physician.

PENALTY HOURS: Penalty hours are served through attending lunch/advisory detentions. All school rules are in effect during penalty hours. Students who are asked to leave for misbehavior or who are tardy will receive additional disciplinary consequences.

PROFANITY: Profanity and vulgar language are offensive and inappropriate. Students who use this language violate school rules. Disciplinary penalties may be applied.

PROFANITY TO TEACHERS/STAFF: Students who direct profanity personally at or to a teacher or staff member may be suspended from school for 3 to 10 school days. If the incident occurs in the classroom, the

student may be removed permanently from the class.

SEXUAL HARASSMENT/SEXUAL INTIMIDATION: Pursuant to Board of Education Policy 7:20, O'Fallon High School will not allow any student to be sexually harassed or sexually intimidated. Students with concerns or complaints should see the administrators, nurse, counselor, teacher or complaint managers as identified in the Board of Education Policy. A student or parent may file a formal grievance with the Superintendent pursuant to Board Policy 2:260. Any unwelcome sexual advances, requests for sexual favors, and other unwelcome verbal, physical, or non-verbal conduct of a sexual nature is sexual harassment.

- Sexual harassment includes sexual intimidation, which means any behavior, verbal or nonverbal, which has the effect of subjecting members of either sex to humiliation, embarrassment, or discomfort. Acts of sexual harassment or sexual intimidation may result in any or all of the following actions:
 1. Student(s) conference

SKATEBOARDING: Skateboarding is prohibited on campus. Disciplinary penalties may be applied.

SKIPPING/MISSING SCHOOL IN GROUPS: Skipping school in groups is not the same as one student skipping because it creates unique problems. Therefore, the penalty will not be the same but will be determined by the circumstances surrounding the incident. This offense may result in suspension from school. Specific penalties are:

1. Students may receive up to a 3-day suspension from school.
2. Potential loss of privileges as outlined on page 16.
3. Seniors may lose the privilege of participating in the graduation ceremony.

SKIPPING/MISSING SCHOOL OR SKIPPING CLASSES INDIVIDUALLY: Students are considered "skipping" if they:

2. Leave school grounds after the school day begins, without parent/guardian contact to the school in advance, and without signing out.
3. Miss part or all of a class without permission in advance from the teacher or other school official.

All classes missed for skipping are counted as absences toward truancy.

1 st offense	=	6 penalty hours
2 nd offense	=	9 penalty hours
3 rd offense or more	=	2-day ACR, plus mandatory counseling with counselor/social worker

OTHS may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's accounts and/or on a social networking platform that violates a school disciplinary rule or policy. - 2nd offense = 1 day ACR
- 3rd offense or more = 2 days ACR

If a student is late to class because he/she has been detained by the office, by a previous teacher, by a late bus, documented medical appointment, etc., this will not count as a tardy. Students must produce a pass as an excuse. Parent/guardian phone calls for arriving late to school will not excuse a tardy.

Tardy Procedures and Penalties: The following steps will be taken in disciplining students with excessive tardies to all classes: (cumulative per semester)

- 10 tardies = notify student and parent/guardian
- 15 tardies = 3 penalty hours
- 18 tardies = notify student and parent/guardian
- 20 tardies = 3 penalty hours
- 23 tardies = notify student and parent/guardian
- 25 tardies and every 5 tardies thereafter = 1 day ACR

Students going to class on a pass must arrive within 5 minutes of the time recorded on the pass or be counted tardy. If the time difference is excessive, it may be counted as skipping. Any student sent to the Attendance Office for a pass will be given a tardy.

THREATS: Verbal, written, and/or physical threats to any staff member or student will not be allowed. All threats will be investigated, and police will be involved whenever necessary. All threats are subject to disciplinary action and possible independent psychological evaluation. (Also see Gross Disrespect/Gross Disobedience/Gross Misconduct, page 24).

Large Scale Threats of Physical Harm: OTHS District #203 recognizes that bomb threats, terrorist threats, and large scale threats are of significant concern for the school. Whether actual or intended as a prank, these threats represent a potential danger to the safety and welfare of students and staff, and to the integrity of school property. These threats disrupt the instructional program and learning environment, and also place significant demands on school financial and personnel resources. These effects occur even when the threat proves to be false. No person shall make or communicate by any means, whether verbal or non-verbal, any type of large scale threat to students, staff, or to the OTHS buildings and grounds. Any student or employee who learns of such a threat must immediately report this information to school authorities.

Making a terrorist threat is a crime under Illinois law. Any students or other person making such a threat shall be reported to law enforcement for investigation or possible prosecution. Any student who makes a terrorist threat or large scale threat faces the possibility of expulsion from school.

UNAUTHORIZED AREAS ON CAMPUS: Any student in an unauthorized and/or unsupervised area may receive the following penalties:

1 st offense	=	3 penalty hours
2 nd offense	=	6 penalty hours

The ID will be used to conduct a background check. It is recommended that, in an effort to ensure immediate attention or service, contact be made in advance to set up an appointment. Please contact the Main Office for assistance.

- All visitors: All visitors must report directly to the security office to sign in and to receive visitors' passes to wear while they are on campus.
- Former OTHS-student visitors: Only OTHS graduates and former students who left in good standing may visit during the school day, and then only by appointment.

WEAPONS OR LOOK-ALIKE WEAPONS: A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be subject to a Disciplinary Review Hearing before the Board of Education which may potentially result in expulsion for a period of at least one calendar year but not more than two calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1).

3. Any other object, if used or attempted to be used to cause bodily harm, including look-alikes of any firearm as defined above.

The expulsion requirement under items 1 - 3 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board of Education on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

ACADEMIC POLICIES

ACADEMIC INTEGRITY

OTHS' Philosophy of Academic Integrity

O'Fallon Township High School believes in creating an atmosphere of learning to foster honesty, responsibility, and honor to establish an environment where academic integrity is the expectation.

Honesty to one's self, academic work, and to others is a defining parameter of academic integrity. We believe honest educators and learners are proud of individual initiative and accomplishments. Grades earned should accurately reflect the initiative of one's own efforts for the pursuit of academic excellence.

All stakeholders within the OTHS community have a responsibility to one another to promote, teach, and learn the components of academic integrity. All learners must take personal responsibility for his/her education to capitalize on his/her educational experience.

As an educational community, we believe honor is the defining parameter of academic integrity. Educators and learners will respect the contribution, work, and thought of others through proper recognition.

Violations of Academic Integrity

Academic dishonesty refers to cheating, copying, plagiarizing, or otherwise representing the work of others as one's own through verbal, written, graphic, electronic, or other means.

This list is to serve as a guide and is not all inclusive.

- Cheating
 - Using or transmitting material not permitted by the instructor during a test, including stored information on electronic devices
 - Copying answers from a student
 - Submitting the same paper for two different classes
- Plagiarism
 - Copying ideas or exact wording from published sources without indicating from where the words or idea came
 - Paraphrasing from sources without citing where the information originated
 - Copying the work of another and submitting it as your own
 - Having another person write the paper with and/or for you
- Facilitating Academic Dishonesty
 - Allowing another student to copy an assignment that is to be done individually
 - Allowing another student to copy answers during an exam
 - Taking an exam or completing an assignment for another student
- Digital Citizenship
 - Failure to cite graphic, audio, or video file
 - Copyright violations
 - Illegal downloading

Consequences for Academic Dishonesty

OTHS will keep an ongoing database of all cases of academic dishonesty that will span the duration of the student's high school tenure.

Academic Honesty Violations May Include, but are Not Limited to:

- A zero for a portion or for all of the assignment
- Parent/guardian notification and/or meeting with parents/guardians
- Suspension and potential recommendation to the Board of Education for a Disciplinary Review Hearing
- Notification to any faculty member writing a letter for college and/or academic purposes
- Removal from Academic Honor Organizations
- Removal from class with a failing grade applied

ADVANCED PLACEMENT® (AP®) COURSES: Students have the opportunity to potentially earn college credit by enrolling in the Advanced Placement® (AP®) Courses offered at OTHS. Students must meet academic criteria to enroll and are responsible for any fees associated with the class and exam. Earning college credit is contingent upon a student's score earned on the optional AP® Exam and the credit the higher education institution awards for the scores earned. Colleges and Universities have varying practices for the awarding of credit for AP® Coursework. Students are advised to research this information for the schools they may wish to attend. Information on AP® Coursework is available from the guidance counselors and/or instructors of the AP® Classes.

Parents can sign a parent override form to have his/her student placed in an AP® class. The student must remain in the class until the end of the semester for which the override form has been signed. Contact the guidance department for additional information.

AUDITING PROCEDURE: It is possible for a student to audit a class with approval of parent/guardian, teacher, administrator, counselor. Auditing a class consists of taking the class but not receiving credit. The following criteria must be met when auditing a class:

1. It must be a 6th class in the student's schedule and 4 of the 6 must be academic, GPA eligible courses.
2. There must be space in the class.
3. The student is expected to comply with all requirements of the class: attendance, discipline, homework, tests, projects, etc.
4. If a student fails to meet any of the criteria, they will be dropped from the class.

CLASS LOAD: All freshman and sophomore students must enroll in a minimum of six classes plus advisory per day. Junior students must enroll in a minimum of five classes plus advisory per day. Senior students who are not involved in OTHS athletic or extracurricular activities for which eligibility must be maintained may take as few as four subjects plus advisory per day. Students taking fewer than five classes are not eligible to participate in extracurriculars nor credit recovery.

Students participating in any extracurricular activity must adhere to eligibility guidelines.

Students electing to take a reduced class load must make sure they are meeting OTHS graduation requirements. A reduced class load option is not available for students at risk of failing to meet graduation requirements.

The beginning and end time for students involved in a reduced class load will not necessarily align with the start or end time of the OTHS school day. The student schedule will vary depending upon the courses in which the student is involved. The courses will run consecutively.

Students taking a reduced class load must provide their own transportation as they will not be allowed to spend the hours before or after their assigned schedule on campus unless administrative approval is granted in advance.

CLASS RANK: Class rank will only be calculated for students enrolled in grades 9-12, working toward a high school diploma, and taking a minimum of 3 GPA-bearing classes.

COLLEGE ENTRANCE REQUIREMENTS AND RECOMMENDATIONS: It is very important that students

planning to attend college begin the planning and researching of admission requirements early in their high school career. Students should check entrance requirements of potential colleges and plan high school course work and extra-curriculars accordingly.

Most colleges or universities require a minimum of 15 units of academic credit and graduation from an accredited high school for entrance. Counselors are available to help students with this important planning and research.

Most Illinois state universities have adopted the following course requirements set by the Illinois Board of Higher Education (IBHE) together with set college test scores and class rank for admission to their institutions:

English	4 years
Mathematics	3 years (introductory through advanced algebra, geometry, trigonometry)
Social Studies	3 years (emphasizing history & government)
Science	3 years (laboratory sciences)
World Language	2 years (music or art may possibly substitute)

CREDIT FOR ALTERNATIVE COURSES, PROGRAMS, AND COURSE SUBSTITUTION (Board Policy 6:310:

Enrollment in SWIC for 5th Year Students

A fifth year student can enroll at SWIC and earn credit toward high school graduation under the following parameters:

1. The student must receive departmental chair approval
2. The student may take up to 4 classes at SWIC earning two credits toward graduation

A student must have completed their freshman year to be eligible to participate in the program. Students must be enrolled in class load requirements as defined on page 33 in the OTHS Handbook and are responsible for the course fees. Course selection and enrollment will be coordinated with an OTHS Guidance Counselor.

If a student is expelled and participating in credit recovery, he/she is not entitled to participate in school activities. In addition, if a student is expelled the semester prior to his/her graduation, he/she is not permitted to participate in the graduation ceremony, but is eligible to receive, contingent upon meeting all graduation

requirements, an OTHS diploma.

DELAYED ENROLLMENT: If a student has not been enrolled at a previous high school and wishes to enroll at OTHS, the student can do so during the first 6 weeks of the semester. However, work must be made up in an expedient manner. If a student wishes to enroll after the first 6 weeks and was not previously enrolled at another school, he/she is allowed to audit the class and will not receive credit for the course. See Auditing procedure on page 33.

If a pupil is a freshman, school districts may count passing grades from the last semester of the student's eighth-grade school year." Statutory Citation: 105 ILCS 5/27-24.2 Administrative Rule: 23 Ill. Admin. Code Part 252.25(a)(1)

The state of Illinois requires multiple components to earn your Driver's License. One component is each student must have his/her permit for 9 months before he/she can obtain an Illinois Driver's License. OTHS will make every effort to place each student in Driver Education the quarter after he/she turns 15 years of age if the student's academic requirements have been met and there are openings in the Driver Education classes being offered.

DUAL CREDIT COURSES: Students have an opportunity to earn dual credit in a variety of courses through St. Louis University and Southwestern Illinois College. Students must be a junior or senior, carry a cumulative GPA of 3.0 or greater (refer to course catalog for specific requirements per course), have written endorsement from the principal or a counselor, and have teacher approval for each course. Students taking dual credit courses through SWIC must be 16 years or older before the subsequent August 1st (a student can be 15 when taking the class) and meet the minimum testing requirements. Students enrolled in the Air Force Junior ROTC program also have an opportunity to earn dual credit from the Adams State College in Colorado. Students enrolled in Honors Accounting have the opportunity to earn credit through Kansas State University through a qualifying exam. Information on Dual Credit Courses is available from the online course catalog, counselors and/or instructors of the dual credit courses.

DUAL ENROLLMENT: OTHS offers a dual enrollment program, Running Start, with Southwestern Illinois College (SWIC) for a maximum of 20 students per grade level. Eligible students must meet all qualifying criteria, attend OTHS during the second semester of their sophomore year, and are selected during their sophomore year for enrollment in the program their junior and senior year. If there are more than 20 students that apply, students will be ranked by weighted GPA with the top 20 students being selected. Students participating in this program can be required to return to OTHS when deemed appropriate.

Running Start Students are able to earn an associates degree by attending and completing all required courses at SWIC. Graduation requirements for both institutions do vary and both must be met to earn a diploma from both institutions.

EARLY BIRD: Early Bird coursework may be an option for 10th – 12th grade students that wish to take additional coursework or to shift their school day to begin and end one hour before the typical school day.

Early bird is on a request basis and not guaranteed. Students taking early bird must provide their own transportation.

EARLY GRADUATION OPTION: A student must have met all graduation requirements to be a December graduate in his/her senior year and will not be eligible for participation in spring semester extra-curricular activities. At any time deemed necessary, a student’s participation may be denied as determined by the administration.

In addition, the home school program must send an official transcript, provided by an accredited home school agency, to OTHS once the classes are complete. Contact the OTHS Registrar for more information.

National Honor Society recognizes students who have a cumulative weighted grade point average greater than or equal to 3.5 and who meet the service, leadership, and character requirements as indicated in Article IX of the NHS Constitution. Students earning Cum Laude and/or National Honor Society recognition will be issued a stole that must be returned at the conclusion of the graduation ceremony. OTHS awards and recognitions are the only adornments allowed.

IN LOCO PARENTIS: *In loco parentis*, which means "in place of a parent" or "instead of a parent," refers to situations in which someone other than a biological parent acts in a parental capacity. Administrators and teachers fall under the *in loco parentis* doctrine for students while the students are under their care.

School Districts have an obligation to maintain discipline and order in schools pursuant to Illinois School Code. Both the *in loco parentis* doctrine and the Illinois School Code allow the District to search students and/or to interview students when there is a reasonable suspicion that school rules and/or the law have been violated, and/or when there is a risk to school safety. Administrators and teachers are not required to contact parents/guardians in advance of the search or interview.

INCOMPLETE GRADES: Incomplete grades must be resolved within the following time frames following the conclusion of a semester.

- A. 6 weeks for a semester class
- B. 3 weeks for a quarter class

Any exceptions require medical documentation.

INSTRUCTIONAL MATERIALS: (Board Policy 6:210) Parents/Guardians have the right to inspect instructional materials used as part of the curriculum and should contact the District Office if they wish to do so.

LAB ASSISTANTS: If a student is a lab assistant, he/she must be enrolled in 3 GPA eligible classes.

LETTERS OF RECOMMENDATION: Students often need recommendations from teachers, counselors, and administrators for jobs, colleges, and scholarship applications. The student should personally make the request of the teacher and provide the name, address, and any other information available for the writing of the recommendation. When students request recommendations from teachers, they should provide a list of

the classes and/or a list of the sports and/or activities in which they have participated. The teacher will submit the recommendation in the format that is required.

NCAA ELIGIBILITY: NCAA eligibility is the sole responsibility of the student and parent/guardian. If you think you are going to play a competitive sport at a Division I or Division II college or university, it is the responsibility of the potential student-athlete and their parent/guardian to:

1. Register with the NCAA Clearinghouse at www.eligibilitycenter.org. This process includes submitting ACT scores directly to NCAA as well as submitting initial and final high school transcripts.
2. Communicate their interest to his/her Guidance Counselor for assistance with course selection*
3. Meet NCAA academic eligibility requirements per the NCAA website
4. Review OTHS course selections to make sure they are NCAA eligible. A software program, Core Course GPA, is provided on the OTHS Athletic Department website to assist families with course selection.

*Course selection is a primary component of NCAA eligibility and should begin as early as freshman year.

Please note, not all courses at OTHS are NCAA approved. NCAA-approved courses are noted in the course catalog within each department by the designation:

PHYSICAL EDUCATION: Students are required to take 4 semesters of Physical Education and 1 semester of Health to meet graduation requirements except in the following cases:

1. Every successfully completed semester of AFJROTC counts for 1 semester of PE exemption. If a student successfully completes 4 semesters of AFJROTC, he/she has fulfilled the 2 year PE requirement.
2. Every successfully completed Marching Band course and competition season counts for 1 semester of PE exemption. If a student successfully completes 4 Marching Band semesters of coursework and competition seasons, he/she has fulfilled the 2 year PE requirement.
3. A junior or senior that participates in and completes an inter-scholastic athletic program can be exempt from 2 semesters of PE. A maximum of 1 semester of exemption can be earned during each of the 11th and 12th grade years, regardless of number of seasons and/or number of sports involved.
4. Seniors who lack sufficient course credits for graduation, who have failed a required course, who have transferred into OTHS with deficient credits, or who lack credits due to other causes. This is a rare exception and individually considered. Any student with a Doctor's excuse may substitute an academic class during the semester that he/she has been excused. However, this does not satisfy the PE requirement.

PHYSICAL EDUCATION MEDICAL EXEMPTION: A physician's note that restricts full participation in P.E. must be turned in to the nurse's office. A physician's note that modifies the student's activity level in P.E. should be coordinated with the nurse and the instructor based on the current P.E. unit.

Under no circumstances will a student be allowed a medical exemption from PE and be allowed to participate in extracurricular athletics or clubs having physical activity components.

If a student is enrolled in PE and has a doctor's note excusing him/her from physical participation in the class in excess of 25 school days, the student:

1. May remain in the class and receive a transcript designation pursuant to policy.
 - a. The student will lose academic credit in PE.
 - b. The student will satisfy 1 semester of PE requirement through non-physical participation and observation if passing the class at the time of the medical exemption.
2. May withdraw from the class and receive a transcript designation pursuant to policy.
 - a. The student will not receive academic credit.
 - b. The student will not receive a PE requirement toward graduation.
 - c. The student will be assigned to a study hall or to a course of the student's choosing, dependent upon the timing of the withdrawal and availability of space in the desired course.

- d. The student is expected to re-take the PE class.

RESTRICTIONS ON ENROLLMENT: Re-enrollment shall be denied to individuals 18 years of age or older who have dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his/her 21st birthday. A person denied re-enrollment may be offered counseling and may be directed to alternative educational programs that lead to graduation or receipt of a GED Diploma. Special consideration may be made for students eligible for special education services.

RETAKE CLASSES: A student may retake an academic class to (1) increase their knowledge, (2) improve their grade, or (3) to meet a prerequisite needed for another academic class. All classes taken will be calculated in the student's GPA, will appear on the student's transcript, and credit assigned accordingly. A student is not allowed to earn credit for the same class if he/she earned a passing grade both times unless OTHS requires the student to repeat the course. When required by OTHS to repeat a class that was previously passed, the second time the credit is earned, the credit will be counted as an elective credit.

SCHEDULE CHANGES:

When or If a Schedule Change Can Occur

A. Schedule change will only be made under the following circumstances:

1. Lack of Prerequisite
2. Scheduling Error
3. Summer School Adjustment
4. Graduation Requirement Deficiency
5. The student option to transfer from any teacher's class if he/she has previously taken that same class from that particular teacher and failed
6. Class must be canceled due to insufficient enrollment
7. Teacher Initiated Change
8. Pursuant to IEP/504 or homebound needs

B. Schedule Changes Will Not Be Granted in the Following Circumstances:

1. Request to change student lunch hour
2. Request for a different teacher

C. Space and Authorization for a Schedule Change

1. Schedule changes will be considered on a space available basis if a request to change a student schedule does not cause a section overload.
2. Parent/Guardian Authorization is required for dropping a class or a student initiated level change.

Types of Class Changes in a Student's Schedule

There are four types of class changes that can occur in a student's schedule:

1. Course changes prior to the start of a semester
2. Changing from one class to a different class on or after the first day of student attendance
3. Dropping a course after the first day of a semester and not replacing that class
4. Student or Teacher initiated level change (example – honors Class to a regular class)

Course Change Prior to the Start of a Semester:

Prior to the start of a semester, students may make course changes provided they A) Fall within the acceptable reasons mentioned above and B) Meet with a guidance counselor.

Changing from One Class to Another Class On or After the First Day of Attendance:

A student may only be permitted to change the class selections per the circumstances outlined in Section A above.

Dropping a Course After the First Day of a Semester and Not Replacing the Class:

A student may not drop a course automatically. The Guidance Office will ensure that the course is not a required course and that the course drop will not jeopardize graduation requirements. A drop slip form must be signed by the teacher and parent/guardian. If the class drop is approved, students may be placed in a study hall.

The deadline to drop will be the first 10 school days of a semester without the course reflecting on the student's transcript. A student who withdraws from a course within the first 6 weeks, but after 10 school days, will receive a "W" grade for that course on his/her transcript. "W" grades are not included in computing GPA. A student who withdraws after the first 6 weeks of a semester will receive a "WP" if passing at the time of withdrawal or a "WF" if failing at the time of withdrawal. A "WF" is calculated into his/her GPA.

Student or Teacher Initiated Level Change:

A teacher initiated course level change may occur when deemed academically appropriate. A teacher initiated level change requires permission from the department chairperson, school counselor, and parent/guardian. A student initiated level change requires an academic review with a guidance counselor and a signed waiver on file.

SEMESTER GRADES: Credits for passing grades are issued at the end of each semester. Progress throughout the semester may be monitored by students and parents/guardians through Edline Family Access. Semester grades are determined by the following formula:

Semester Work = 80%
Semester Exam = 20%
Semester Grade = 100%

Note: Classes that meet for only nine weeks calculate the final exam as 15% of the course grade.

SPECIAL EDUCATION CLASSES: We offer special education classes and resources to students meeting special education eligibility.

STATE SEAL OF BILITERACY: OTHS students have the opportunity to test for the Illinois State Seal of Biliteracy or State Seal of Commendation. OTHS students take the AAPPL assessment and are responsible for the assessment fee. The Seal of Biliteracy and/or Seal of Commendation are noted on the diploma and transcript.

SUMMER SCHOOL: Summer School curricular offerings, as well as policies pertaining to Summer School, are determined during the Spring semester. Summer School, when offered, is on a tuition basis.

TITLE I: - PARENT INVOLVEMENT POLICY (Board of Education Policy 6:170): O'Fallon Township High School District #203 is committed to and encourages parent involvement in the Title One Program. Title classes provide students a more concentrated one-on-one setting in which they may increase their skills and confidence. The Title One Program will involve parents through the following activities:

1. To inform parents, in writing, of the selection of their child to participate in Title One instruction and to give parents specific information about the course(s) involved.
2. To conduct an annual meeting for all Title One parents to explain and to discuss the program. We know parents want to know how they can best help their children, and we want to listen to parents and advise them on how we can work collectively to help their children succeed.
3. To conduct parent/teacher conferences, report on each student's progress, or involve parents in helping to continue successfully working with their child.
4. To conduct other parent involvement activities that may be timely and appropriate, such as phone contacts, training activities for parents, parent surveys/questionnaires, and encourage Title parent participation in all school parent opportunities applicable to them.
5. To ensure that district parents will be represented by several parent members at the community outreach meetings contributing to school improvement initiatives.

TRANSCRIPTS: Official transcripts will be sent electronically using Docufide Sender®, via Parchment™. eTranscripts are fully secure and FERPA compliant. A FERPA release form must be on file at OTHS for official transcripts to be requested and sent. Release forms are part of the OTHS 12th grade registration process. Per the law, if a student is 18 years old, only the student may request a transcript.

A student may obtain an unofficial transcript via Parchment, or request a paper copy from the Main Office or the Guidance Office. There is no fee for unofficial transcripts. Official transcripts can only be requested through Parchment™. Official transcripts may not be hand carried.

Most colleges and universities require a final transcript before the student can enroll for classes. Final transcripts will be mailed after graduation from OTHS. Preference is to request through Parchment™; however, a paper copy can be mailed from the Main Office in the summer if a "Final Transcript Release Form" (available in Main Office or Guidance Office) is completed. Same signature requirements apply. Final transcripts will not be sent by OTHS if the student has any outstanding fees.

Note: If a student will be playing NCAA Division I or II sports in college, a transcript must be sent to NCAA in addition to their college/university. Other athletic clearinghouses may also require a final transcript.

TRANSFER GRADES: Students who transfer from OTHS: Any student that transfers from OTHS after the first ten school days of a semester, to attend another accredited high school, will receive the grade they were earning at the time of withdrawal.

Students who transfer to OTHS: Transfer credits must be from an accredited high school or accredited home school program. All transfer grades and credits will be converted to the grading system used at OTHS.

WITHDRAWAL FROM SCHOOL AND NOT ENROLLING IN ANOTHER SCHOOL: Students are encouraged to stay actively enrolled in school and to earn a high school diploma. If a student elects to withdraw from OTHS, and to not enroll in another school, he/she will receive a WP (Withdraw Passing) or a WF (Withdraw Failing) based on the grade at the time of withdrawal. All WFs will be calculated into GPA.

EXTRA-CURRICULAR INFORMATION

Membership or participation in any extra-curricular activity is a privilege, not a right. Students are encouraged to participate in extra-curricular activities as a part of their total education.

ATHLETIC PROGRAM: The sports program at OTHS is well rounded and intended to appeal to the interests of all students. All athletes must meet eligibility standards established by the Illinois High School Association (IHSA). This includes having a current annual physical on file. OTHS is a member the Southwestern Conference and the Illinois High School Association.

All students and parents/guardians must attend an ALL-SPORT MEETING in order for the athlete to compete in athletic contests.

The sports that are offered at OTHS can be found at the following link: <http://www.othsathletics.com/>

CLUBS/ORGANIZATIONS: The following link outlines clubs and activities available to students at OTHS: http://www.oths.k12.il.us/pages/O_Fallon_High_School/Activities

ELIGIBILITY GUIDELINES: Participation in extra-curricular activities is dependent upon course selection and successful progress in those courses. In order for a student to be eligible to participate in any OTHS school sponsored athletic or extra-curricular activity, a student must be passing 5 classes per week (regular full credit classes). Any student-participant failing to meet these academic criteria will be academically ineligible on a weekly basis until the specified academic criteria are met. If a student fails to pass 5 full

credit classes for the semester, he/she will be ineligible for the entire succeeding semester. In other words, a student must earn 2.5 credits to be eligible for the following semester.

ILLINOIS HIGH SCHOOL ASSOCIATION (IHSA) ELIGIBILITY: The complete set of IHSA By-laws and Policies is available at www.ihsa.org.

PHYSICALS: All students participating in athletics, marching band and show choir must have a current physical on file.

EXTRA-CURRICULAR ACTIVITY REGULATIONS:

One of the major objectives of formal education is that of teaching citizenship and responsibility for one's actions. The Board of Education, the Community, and the staff of O'Fallon Township High School believe this to be of primary importance in today's society. Therefore, students representing OTHS in a public forum are obligated to adhere to the following Code of Conduct with full knowledge of the consequences of their actions that may be detrimental to themselves, their school, and their community.

The Code of Conduct will apply to all participants in all extra-curricular activities and will be enforced on a year-round basis. Disciplinary consequences for violations when a student is out of season or during the summer will be levied in the student's next period of competition or performance. The next period designation is to be determined by a student's prior pattern of seasonal activity. Incoming freshmen, which, by definition, have not established a pattern of extra-curricular activity, will be allowed to state their athletic or organizational intentions when Code of Conduct infractions occur. Penalties shall be cumulative beginning with and throughout the student's participation in extra-curricular activities while at O'Fallon Township High School.

Any student representing OTHS may be suspended or dropped from any team or organization for any violation or act, either in school or out-of-school, which violates the Code of Conduct. All participants will be expected to sign and to conform to the Code of Conduct.

Application of the consequences involving Code of Conduct violations will be administered in both athletics and extra-curricular activities independently and separately unless a student who violates the code is involved in an activity and an interscholastic sport simultaneously. In this case, the consequence for the code infraction will run concurrently. In situations when a student is involved in a competitive activity and a sport that occur at different times during the school year, the student will serve his/her consequence at the time the respective seasons commence. Once a student/athlete has successfully served the consequences in an activity and an interscholastic sport, the code infraction will be considered adequately served.

Days of suspension for a Code violation will begin immediately the day that the Administration is notified of the offense if the violation occurs during the season. If the violation occurs during the off-season, the days of suspension will begin on the first day of the season or when the Administration is notified if the season has already begun. When counting days of suspension, all days of the week will count (calendar days).

The participant must complete the activity for the consequences to be considered served which includes attending practices. The student must start and finish the activity on the original starting and ending dates. The Coach/Sponsor has the prerogative to remove the athlete from the team/activity due to a Code of Conduct violation and in this case any remaining participation days will be counted towards the days of suspension.

Both in-season and out-of-season violations will carry over into the next sport season or participatory activity in which the student is involved.

Under IHSA rule, any student who transfers into or out of District 203 must serve his/her remaining consequence prior to participation in a new school system. It is the principal's obligation to identify Code violations for incoming or exiting students.

The coach/sponsor affected will be notified in writing of what disciplinary action has been taken against a student in violation of the code.

Disciplinary action relating to the Code of Conduct imposed by a coach/sponsor will be written and submitted to the Athletic Director.

CODE OF CONDUCT

The following guidelines are in effect during all the years a student attends O'Fallon High School, including summer vacations. Penalties for Level I, II, and III shall be cumulative for each independent level beginning with and throughout the student's participation in extra-curricular activities while at OTHS. The activities governed by these regulations shall include all extra-curricular activities. The following violations and consequences represent guidelines that will be followed. It should be noted that participation in extra-curricular activities is a privilege, and each code of conduct violation will be considered based upon the specific circumstances of the incident. Consequences will be administered accordingly. The Athletic Director and/or Activities Director will be notified of all code of conduct violations and consequences.

Any student representing OTHS may be suspended or dropped from any team or organization for any violation or act, either in school or out-of-school, which violates the Code of Conduct. All participants will be expected to sign and to conform to the Code of Conduct.

UNACCEPTABLE BEHAVIORS:

Depending upon the severity of the circumstance(s), disciplinary action may include suspension or removal from any activity or program. TECHNOLOGY ACCEPTABLE USE POLICY

Internet and Network Use

O'Fallon Township High School is pleased to offer its students access to the Internet and the District's electronic network. When used properly, these can be valuable educational tools contributing to life-long learning.

Electronic networks, including the Internet, are a part of the District's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication.

Families should be aware that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. In addition, it is possible to purchase certain goods and services via the Internet, which could result in unwanted financial obligations for which a student's parent or guardian would be liable.

While the District's intent is to make Internet access available in order to further educational goals and objectives, students may find ways to access other materials as well. The District utilizes filtering methods and/or systems to regulate students' Internet access; however, those methods do not guarantee compliance with the District's acceptable use policy. The District believes that the benefits to students of having access to the Internet exceed any disadvantages. Ultimately, parents and guardians play a vital role in supporting the District by encouraging their students to act responsibly when using media and information sources.

Usage Guidelines

1. Access to District technology must be for the purpose of education or research and be consistent with the educational objectives of the District.
2. The use of District technology is a privilege, not a right, and inappropriate use will result in cancellation of those privileges and/or discipline, up to expulsion, in the case of students.
3. Prohibited uses of school-provided Internet services include, but are not limited to, the following:
 - a. To access, submit, post, publish, transmit, or display any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, or illegal material;
 - b. To violate any local, state, or federal statute;
 - c. To vandalize, damage, or disable the property of OTHS, another individual, and/or organization. This includes, but is not limited to, the uploading or creation of computer viruses;

 - e. To violate copyright or otherwise use the intellectual property of another individual or organization without permission;
 - f. To disrupt the educational process or to interfere with the rights of others at any time, either during school days or after school hours;
 - g. To access any communication technology which enables communication with parties not associated with OTHS;
 - h. To access any non-curricular Internet site, page, content, or application which is inappropriate for an academic institution;
 - i. To engage in Cyber-bullying.
4. Network Etiquette-The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:
 - a. Be polite. Do not become abusive in your messages to others.
 - b. Use appropriate language. Do not swear or use vulgarities or any other inappropriate language.
 - c. Do not reveal personal information, including the addresses or telephone numbers, of students or colleagues.
 - d. Recognize that e-mail and other electronic communications are not private. People who operate the systems have access to such data. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.
 - e. Do not use the network in any way that would disrupt its use by other users.

O'Fallon Township High School makes no warranties of any kind, neither expressed nor implied, for the Internet access it is providing. The School District is not responsible for any information that may be lost or damaged, or become unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. Furthermore, the District will not be responsible for any unauthorized charges or fees resulting from access to the Internet. The District will not be responsible for the accuracy, nature, or quality of information stored on District storage devices, hard drives, or servers; nor for the accuracy, nature, or quality of information gathered through District-provided Internet access. The District will not be responsible for personal property used to access District computer or networks or for District-provided Internet access.

USE OF CELL PHONES, HEADPHONES AND OTHER ELECTRONIC DEVICES

Under limited circumstances, students may use their own electronic devices at school and may use such devices to access the District's electronic network. O'Fallon Township High School is not responsible for the information accessed on personal electronic devices and is not responsible for the cost of any data used by a student while at school or for school purposes.

Cell phones, headphones, and other electronic devices may be in possession of students while on campus and used during the following limited circumstances:

1. Before school, during passing periods, and during a student's assigned lunch period.
2. In a classroom after the student receives specific permission from the teacher.

The possession and use of cellular phones and acceptable electronic devices are subject to the following rules:

1. They must be kept out of sight and in an inconspicuous location at all times when a student does not have permission to use them.
2. They must be turned off during academic periods unless the supervising teacher grants permission for them to be used for educational purposes.
3. When devices are allowed, it should not be heard at any time and should be in silent mode or on vibrate. In the IMC, talking on one's device is prohibited.
4. They may not be used in any manner that will cause disruption to the educational environment or will otherwise violate student conduct rules.
5. They may not be used for creating, sending, sharing, viewing, receiving, or possessing indecent visual depictions as defined in State law, i.e. sexting. Possession is prohibited regardless of whether the depiction violates State law.
6. They may not be used in violation of any State or Federal law.
7. Students must comply anytime a request is made by school personnel to cease the use of any electronic device.

1st Offense = Reported to administration and warning issued

2nd Offense and thereafter = Reported to administration and 3 penalty hours issued

This policy specifically prohibits the use of camera cellular phones, personal digital assistants, or any other electronic or photographic device to take, transmit, or record pictures or other images in all restrooms, locker rooms or other locations where students and staff "have a reasonable expectation of privacy." Taking or transmitting digital images during classroom activities, in the hallways, or in other common areas is also prohibited without the express permission of the classroom teacher or administrator. Students caught improperly using any telecommunication or electronic device to take or transmit digital images will face school discipline, which may include expulsion. Abuse or misuse of these devices, especially camera phones, is strictly prohibited. Using a camera, cell phone, or other device to create video or photographs of any school incident, or potential incident that results in a disruption, or potential disruption, to the educational environment of the school may result in serious disciplinary action.

OTHS assumes no responsibility for the loss, theft, or damage to electronic devices and no effort will be made to search for or retrieve them.

CONSEQUENCES FOR INAPPROPRIATE BEHAVIOR:

Disciplinary action may include, but is not limited to, the loss of IMC privileges.

LOAN POLICY:

A. CHECK OUT POLICIES

- Borrowing of IMC items requires both a visible ID or a temporary and a zero balance on one's IMC account.
- We make every attempt to work with students who have an IMC account balance. Students with an IMC balance may divide what is owed into 4 equal payments. No payment can be less than \$.05. The payment schedule will be determined by the student, with the first payment due within 30 days, and will be mailed home to the student's parent or guardian. Students with an IMC balance of \$10 or more, either in Destiny or Skyward, may not use the IMC before/after school, during advisory, or during lunch if the terms of the payment agreement are not met.
- Students should never check items out for other students; the borrower is always accountable.
- Print materials are checked out for 2 weeks and renewed for 2 weeks. Students may have up to 5 items checked out at one time.
- Equipment is checked out for up to 3 school days and may be renewed upon the discretion of the IMC staff.
- When renewing, items must be present. See #7 for exceptions.
- When a teacher is holding a student's book for Great Books (GB), staff will renew the book, upon request of the student, to avoid overdue fines. Note: GB and HGB students can only check out 1 copy of any given title.

B. FINES: Fines are calculated based on an item's due date.

- Print: \$.10 per day beginning the first school day after the due date
- PlayAway: \$1 per day beginning the first school day after the due date
- Equipment: \$1 per day beginning the first school day after the due date
- eBooks & Audiobooks: No overdue fees with auto check-in

C. OVERDUE PROCEDURES

- 1 day after the due date: Student begins receiving daily overdue notices to his/her OTHS email account.
- 2 weeks after the due date: Student is notified to meet with an IMC staff member. If the overdue issue remains unresolved, notification is sent to the IMC Coordinator. If the item(s) are not returned within 1 week after the student meets with the IMC Coordinator, he/she may lose IMC privileges, the item(s) will be deemed "lost", and a replacement will be purchased at the student's expense.

Note: Overdue notices are a courtesy. Returning items on time is ultimately the borrower's responsibility.

D. LOSS OR DAMAGE OF MATERIALS

- When a student loses library items, he/she must pay for the cost of replacing the items. If items are no longer available, students must pay for a like replacement, which may cost more than the original. We

will search reputable sources for pricing. Fines, in this case, will be assessed starting the day that the item was overdue and ending the day the student declares the item lost.

- If the student finds the item and returns it in good condition, he/she will be reimbursed after paying the amount owed in fines. If the item costs less than the fine, no reimbursement will be issued. If the item is returned after a replacement has been purchased, the student will not receive reimbursement and can keep the item(s).
- If a student damages materials, the IMC Coordinator will make the decision to replace or refurbish the item. In both cases, the borrower will be responsible for any cost incurred.
- Students must pay any fine in addition to any other penalty.

USE OF IMC PRINTERS AND COPIERS:

Students must pay for all print/copy jobs, unless the materials are required for submission to a teacher. If a teacher requires color printing, students must obtain a free color print card from the teacher or pay for the printout. Prices are posted near printers and copiers. Please pay for all materials at the help desk.

INTER-LIBRARY LOAN:

OTHS students have inter-library loan privileges. As such, students will be held financially responsible, per the lending library's policies, for inter-library loan items that are lost, damaged, or overdue.

ACCESS TO IMC RESOURCES:

"Lack of access to information can be harmful to minors. Librarians and library governing bodies have a public and professional obligation to ensure that all members of the community they serve have free, equal, and equitable access to the entire range of library resources regardless of content, approach, format, or amount of detail. This principle of library service applies equally to all users, minors as well as adults. Librarians and library governing bodies must uphold this principle in order to provide adequate and effective service to minors." (American Library Association's statement on Intellectual Freedom, Section B.2.1.4) As such, parents/guardians maintain the right and responsibility to govern their student's access to OTHS library resources as well as inter-library loan materials. We encourage parents/guardians to be actively aware of their student's resource selections.
