

OTHS Leadership Team

September 23, 2015

7:00am

OTHS Smiley Campus, Room 510A

Introductions

Mission: Our mission is to bring students of similar interest together and provide them with opportunities to become effective leaders and team members. These groups enhance the quality of student life by fostering social interaction, leadership development, school spirit, and an affinity to service at OTHS. Participation in clubs and activities promotes involvement, diversity, service and learning outside of the classroom.

Vision: The successful completion of this mission will develop team members and student leaders who will make a positive impact on OTHS and the greater community. Sponsors will model the leadership qualities of integrity, commitment, and compassion in order to encourage these same qualities in the students they serve. The clubs and activities at OTHS will enhance and strengthen the school community through their compelling commitment to service, teamwork, and excellence.
